## Important Update – Church Key Fobs

We have installed a key fob system that will be used to access the church buildings after hours. The church building will be open during the week when staff is present, generally from 8:00am - 4:00pm Monday through Friday. It will be open during Sunday services, Wednesday Night Activities, and other church sponsored events.

If you need access to the building outside of those times, a key fob will be needed. You may request a fob by filling out the form that you should have received in your church mailbox. Some reasons for needing a fob may be: praise team practice, a Bible study that meets at church, Sunday school teacher that likes to set up prior to Sunday morning, committee members for meetings, and others.

Fobs will allow access at the main entrance by the sanctuary and by the Refuge. Please contact Dave Dykstra if you have any questions!

# Post High Ministry

## Donations, Help & Prayers Needed

There is a box by the church mailboxes for goodie donations that can be put in the care packages for the Post High students. Suggestions are pop, Gatorade, and other beverages, candy bars, easy mac, gum, chips, jerky, cup of noodles, anything you think students would like!

Additionally, we are looking for more people to sign up to help serve breakfast to our college students on Sundays! It is such a great group of young people. Typically they come around 8:45. If you would be willing to serve a breakfast, we would greatly appreciate it and so will the college students!

Each month we are going to list some students who are in college. Remember these students in your prayers and take the time to write them a note. Let them know MRC has not forgotten them.

Emilee Schrock is at Iowa Central Community College in Fort Dodge for Culinary Arts and Hospitality Management. This year she will be planning and serving many events for their student run restaurant. She would appreciate prayers for motivation as she will be working a lot of late nights.

Her address is:

DECORATING

FOR CHRISTMAS?

It might feel early, but December will be here before we know it! If you enjoy decorating and have an eye for creating beautiful spaces, we'd love your help with this year's stage Christmas tree! This is a great opportunity to share your creativity and gifts and contribute to preparing our sanctuary for the Christmas season.

All decorations will be provided - just bring your time and talent! Please contact Shellie Vander Schaaf if you are interested in helping.

# WREATHS ACROSS AMERICA

It is that time of the year to think about remembering & honoring our veterans that have passed away by purchasing a wreath to be placed on their gravesite in the Sherman Township Cemetery. This year we will have a table in the Fellowship Hall on Sunday, October 12 & 19 for anyone that would like to donate a wreath. The Sioux Stockman 4H Club has adopted both the Sherman Township and the Catholic Cemetery this year and this would be a fundraiser to help them cover the cost of these 2 cemeteries. Price is \$17 to sponsor a wreath and then they will make sure that all those wreaths get laid on December 13<sup>th</sup>. This is a wonderful service project for these young people so please reach out and support them. If you would like to lay the wreath yourself, please let us know that when you are donating. If you have any questions, please contact either Elaine Leusink or Joel Leusink. Thank you for your support for these veterans that have sacrificed so much for us.

## ***Quest for the Kingdom Fruits of the Spirit & 70's Night***

We have had a great start to our fall programming this year and are excited to be learning all about the Fruits of the Spirit. Each week we are learning about a different "fruit" and how we can apply it to our lives. We ask that you keep everyone that is involved (kids and volunteers) in your prayers as we journey through each week. We are beyond blessed to be able to connect with the children involved.

Along with this, some nights we just want to add a little "fun" and have a dress up night! **On October 1, we will be learning about peace so we thought we would bring some 70's dress-up into play!** Have fun with your kids as you share what it looked like to dress in the 70's! Mentors are encouraged to join in on the fun too. Peace out!

## ***Children & Worship We Need Your Help***

Children & Worship is scheduled to begin in October, but we need your help. Are you willing to volunteer to help our little ones learn about Jesus at a service at their level? Children & Worship will take place on the 1<sup>st</sup> and 3<sup>rd</sup> Sundays of the month and is during the church service. Each week a leader and two helpers are needed (helpers must be in middle school or older). If enough people volunteer, you would only need to help a couple of times through the year. Please contact Bonnie Wolf soon if you are available. Thank you! A sign up sheet is also available at the information table. *Read on the next page why Children & Worship is such an important program to have!*

## ***Fall-o-ween Jesus Night***

**October 29** is the date our Quest for the Kingdom kids will be having a fun night at our first ever "Fall-o-ween Jesus Night"! Times will be as usual, but the night will not! Kids are asked to find an adult (grandparent, parent, friend, uncle, aunt, neighbor), anyone they would like to come spend the night with them at Quest! That person is asked to bring a pumpkin along for the two of them to carve, along with any tools needed. Other activities will be planned as well. It will be a great night of celebrating God's many blessings as we follow Jesus!

*And he said to them, "Follow me, and I will make you fishers of men." - Matthew 4:19*

# ***Thoughts on Why Theology Belongs in the Preschool Room***

When it comes to teaching young children, theology might seem like a concept that's too complex for them to grasp. After all, preschoolers are still learning basic concepts like colors, shapes, and counting. However, introducing solid biblical truths to preschool-aged kids is not only possible—it's essential.

So let's talk about why theology belongs in the preschool room and how to teach it in a way that is both age-appropriate and impactful! By laying the foundation for deep spiritual understanding early on, you'll help build a strong, lasting faith in the hearts of the next generation.

## **Preschoolers Are Spiritually Curious**

Young children are naturally curious about the world, including spiritual concepts. They're already forming ideas about right & wrong, love, and God. Teaching basic truths like "God loves you" and "Jesus is our friend" gives them building blocks for future faith. Preschoolers can understand more than we think—use simple but meaningful language.

## **Theology Helps Kids Know Who God Is**

At its core, theology is learning who God is. Preschoolers can begin to understand God's goodness, power, and love through stories, songs, and play.

- God as Creator: Show them that God made the world
- God's Love: Teach that God loves them no matter what.

## **Theology Lays a Gospel Foundation**

It's never too early to introduce the gospel. Teach kids:

- God made us and loves us.
- Sin hurt our relationship with Him.
- Jesus came to fix it because He loves us.

## **Keep It Simple and Focused**

Stick to one clear truth at a time, using visuals and repetition. Keep lessons short and engaging—show a picture of animals and say, "God made all of this because He loves it!"

The key is to share God's love and His truth. Kids are always watching and learning, led by our example. Impacting children with the gospel helps them build a foundation of faith. Children and Worship is a great way of providing a time for our little people to learn about God at their level of understanding.
