THANK YOU NOTES

- **Frank Kruid** – “Thank you everyone for all the prayers and cards over the past little while. It is very much appreciated.”
- **Ron & Marlene De Jager** – “Dear church family, thank you so much for lifting us up in prayer over the last year or so. The Lord’s hand was in every decision that lead to both of us moving here. We are adjusting to life here at Crown Pointe. We play a lot of bingo, corn hole, and take trolley rides whenever possible, but we can always make time for visitors. Thank you again, MRC!”
- **Jeff & Cindy Van Der Weide** – “We want to thank everyone for praying for Jeff during his bypass surgery and time in the hospital. We thank you also for the cards and words of encouragement. We thank God for bringing Jeff through the surgery and for the healing that has begun.
- **Debbie Hubers** – “Praising God for the healing I’m experiencing in my life! Thanking the congregation for their many thoughts and prayers over the past few years and months. ‘This is what the Lord says: “When seventy years are completed for Babylon, I will come to you and fulfill my good promise to bring you back to this place. For I know the plans I have for you,” declares the Lord, “plans to prosper you and not to harm you, plans to give you hope and a future.”’ – Jeremiah 29:10-11

A FAMILY ROOM GATHERING: COLLEGE MINISTRY AT THE MAASSEN'S

If you head over to the Maassen home on any given Sunday after church, you'll find a full house—usually around 25 college students gathered around the table for lunch and Bible study.

Right now, the group is working through a book called Thrive. Built specifically for college students, the study tackles the hard questions young adults face on campus and in the world today. Rather than glossing over tough topics, the lessons give students space to wrestle with real issues, dig into Scripture, and learn how to clearly explain and defend their faith.

What stands out most about these Sundays is the honesty in the room. It's far more than a casual hangout or a surface-level Sunday school class. Students are dropping their guard, sharing real struggles, and building genuine relationships with one another. There is a real hunger in this group to dive into God's Word and figure out how to live it out every day.

Please keep these students in your prayers as they continue to grow together in faith and community. They are such a neat group of students and they are sooooo grateful to MRC for making them feel a part of the church! They comment on that often! MRC - you are making a difference by making these students feel loved and welcome!!!

CONSISTORY REPORT

CONSISTORY MEETING NOTES SEPTEMBER 21, 2026

- All Elders and Deacons were present except Brian Oolman and Nick Van Oort.
- **Opening & Prayer**
 - Pastor Jeremy opened the evening in prayer before a 6:00 PM meal. At 6:30 PM, we gathered for community prayer, praying for students and teachers, MRC staff and children's ministries, and those experiencing health concerns. Elders and Deacons then met separately.
 - At 8:00 PM, Consistory reconvened. Pastor Jeremy shared devotions from 1 Corinthians 12:12, emphasizing that we are one body and every member has a part.
 - Discussion centered around:
 - Core Value #2: We are a team working together toward a common goal, and where we see this happening at MRC.
 - Core Value #1: Helping people come to Christ, know Christ, and grow in Christ, including reaching people outside the church and sharing testimonies within the congregation.
- **Financial Report & Budget**
 - Eric Cleveringa reviewed the financial report and fund balances, noting that farmland crop income will come in October and help offset some balances. Eric moved to approve the financial report as presented, with Adam supporting. Motion passed.
 - Eric C. reviewed the upcoming 2026-2027 budget and individual line items. Discussion included the youth trust fund and how funds could help offset costs for Quest, VBS, and youth trips while remaining appropriately budgeted. The consistory was encouraged to seek God in prayer for wisdom and for a church that dreams of expanding God's kingdom through its finances.
 - Official budget recommendations will be presented at the October meeting.
- **Core Value & Intergenerational Team Updates**
 - The three Core Value Teams met with the Intergenerational Team and shared updates.
 - **Congregational Life:** Recommended providing the congregation with an update on the recent survey. The Intergenerational Team may be asked to give a general overview at the November 20 congregational meeting. Marc Scheitler will contact the team.
 - **Worship:** Michael Vander Schaaf reported that several worship changes have already been implemented and are producing positive results. The team discussed adding more creative elements while recognizing the challenge of finding people willing to participate.
 - **Discipleship: Discussion included:**
 - Helping people get connected.
 - Gifts and assessment tools.
 - The need for direction and leadership development.
 - Involving 21-31-year-olds in children's ministries.
 - The fruit being seen through Quest.
 - Finding new approaches rather than repeating the same things and expecting different results.
 - Equipping and directing people to specific tasks.
 - There was also brief discussion about moving the Sr. High start time up 30 minutes. Several scheduling challenges were noted, especially with activities and the new Jr. GAP and Sr. High praise and worship opportunities. The possibility may be revisited during the second half of the school year.
 - Following the team reports, discussion turned to "Now what?" and what direction the Intergenerational Team should pursue next. This will continue to be discussed in future meetings.

Notes continued on the next page

CONSISTORY REPORT CONT.

• Leadership Development

- Consistory discussed the need to train future leaders, develop new ministry models, and create clear guidelines and communication. "Leaders make leaders."
- Shane Walter was asked to develop a basic framework for leadership development and bring it back to Consistory.
- Pastor Jeremy also suggested:
 - Life Groups: Explore ways to regenerate Life Groups and provide leader training. A common leadership-training model could potentially be used across multiple ministries.
 - Welcoming Team: Begin with a dedicated welcoming team, with the possibility of adding a welcome kiosk later. The kiosk could print name tags and help track attendance. An estimated first investment of approximately \$2,000 for five locations was discussed. Phil Dykstra will investigate greeter training.
 - Website/App: Pastor Jeremy shared information about the company used to update the Full Send website. The company, Sub Splash, could provide website and app administration, online giving, and easy "plug-and-play" updates for approximately \$4,300 per year. This could also provide opportunities for people with gifts and talents in this area to help maintain the site. The team will consider reaching out to people identified through the upcoming survey.

• Connect Teams & Congregational Care

- Consistory reviewed the Connect Teams and discussed how well members are following up with the people on their assigned lists.
- Bryan provided an update regarding Bonnie and the need to continue improving our communication and support for her.

• Closing

- Steve moved to approve the minutes, with Adam supporting. Motion passed.

SPECIAL OFFERING OPPORTUNITY FOR OCTOBER: LIFEWISE ACADEMY

LifeWise Academy is a non-profit gospel-centered organization that provides off-campus Bible classes to public school students during the school hours! Colby Vlietstra, the Program Director in Orange City, shares this with us: "We are so thankful to Maurice Reformed Church for all your prayers and support. Allowing us the ability to utilize your bus has been the biggest blessing to us and our students. With the help of Jerry and

others we were able to transport 42 kids from the MOC-FV 4th grade class to Trinity Reformed Church to hear the gospel during school hours! As we look towards this school year, we are excited to now offer classes to 4th and 5th grade students. With more children comes the need for additional financial help to run the program, the possible need to purchase a bus of our own as we add more days, as well as the desire to purchase more Bibles for our new students. This minisry has touched our hearts as we watch kids deepen their understanding of the Gospel! Please continue to pray that we can spread the word to all churches in our MOC-FV community that we want to be a bridge leading kids to Christ and the local churches!"

MISSIONARY OF THE MONTH: BRAD SCHELLING [HTTPS://FIRSTPRIORITY.ORG/](https://firstpriority.org/)

Brad serves on the executive national team for First Priority. First Priority clubs equip teens to reach their peers with the gospel on their high school and middle school campuses. First Priority clubs are started by student leaders with their local church's support. The clubs meet weekly with an emphasis on sharing the gospel with their lost peers. Brad and his family live in Nashville, TN.

Brad shares these numbers in his July update: "12,517 new followers of Jesus happened this school year. That is a First Priority record! There are 7,469 student leaders, 1,041 schools with a club, and 39,262 highest weekly attendance! And that is what we know about."

Praise God that He is working in and through the lives of the youth of America! Please pray for these great ministries!

A SPECIAL THANK YOU TO JERRY VERMEER FOR SERVING ON THE MISSION TEAM FOR OVER 27 YEARS!
